SKILLS

Programming Languages Libraries & Frameworks

CSS, HTML, Java, Kotlin, NodeJS, Prolog, Python, Sass, SQL, Typescript

Bootstrap, Jetpack Compose, ReactJS

Tools & Platforms

Figma, Firebase, Git, GitHub, Google Cloud Platform

EXPERIENCE

Software Developer

Best TV Communications

08/2022 - 12/2022

Led the design and development of an app which aimed to simplify payments and improve client communication. It includes overview of services, a bill payment system, data usage visualization, a support chat, and an outage map, all designed to enhance user experience. Technologies used: Firebase, Jetpack Compose and Kotlin.

PROJECTS

Academic Advisor Chatbot

https://utechchatbot.web.app/

This collaborative effort resulted in a virtual academic advisor for computing students. Sophie uses the GPT4 model via the OpenAl API to provide academic advice, share policy information, and updates on important deadlines. Written in JavaScript and TypeScript.

Academic Probation System

In a collaborative project for an Artificial Intelligence course, we developed an academic probation system using Prolog and Python, for the University of Technology, Jamaica. The system calculates students' cumulative GPA, issues alerts to various university members, and manages the database.

Honeypot https://bit.ly/3utZX7V

Implemented a honeypot system using Python, with packet capture, intrusion detection, and alerting.

Priority Non-Preemptive Scheduler

https://bit.ly/3HSGrVM

A project to simulate a small process management system using Java. It uses a priority non-preemptive scheduling scheme when executing processes on a dual-core (2 CPU's) processor system.

Simulated Vending Machine

https://bit.ly/483uA1O

A project that uses a multi-tape Turing machine and register machines to operate a vending machine, written in Kotlin.

Six Degrees of Separation

https://bit.ly/4brhBKf

Implemented an algorithm in Python, that finds the degrees of separation between two people and recommends to each person's close contact, all the activities that the person is engaged in.

EDUCATION

Bachelor of Science in Computing University of Technology, Jamaica 2020 - Present Major in Computer Science

AWARDS & CERTIFICATIONS

Dean's List	University of Technology, Jamaica	2020/2021
Dean's List	University of Technology, Jamaica	2021/2022

EXTRA-CURRICULAR ACTIVITIES_

FutureDevs Club 09/2023 - Present 05/2022 - 09/2023 Google Developer Student Club
